KEEPING GOD IN THE CENTER DURING SUMMER

Can you believe that it is May already? School days are drawing to a close, there are only 2 more weeks of Sunday School, and the kids are starting to get excited for Summer. The temperatures will rise, the pool will be calling your name and there might even be a family vacation on the horizon. Summer can also bring many opportunities for us to see God.

During the summer months, we find more time to spend outdoors. Take some time with your children to stop and look around at God's creation—stay up late and look at the lightning bugs at night, or take a trip to the beach and see the vast ocean and the different sea creatures. The lazy days of summer also allow us to rest. God wants us to rest and rejuvenate. Take a break from the daily schedule and enjoy some "down-time" together to teach your children how to rest in His presence.

However your family decides to spend these summer months, keep God at the center. Pray together, eat together, laugh together and worship together.

VACATION BIBLE SCHOOL REGISTRATION

Don't forget to register your child for Vacation Bible School this summer. Registration is filling up fast and we don't want your child to miss out on this experience. We only have a limited number of spots left as we are teaming up with Spirit of Joy! this summer. The registration link is on the Lord of Life website under Children's Ministries.

WE WANT YOUR FEEDBACK

In the next few weeks, the Children's Faith Formation team will be sending out a Faith Formation survey for both parents and children. As we look ahead to next year, we want your input. The survey will be available online and in paper form. Please return the paper survey to Katie Phillips or email it to kphillips@lordoflifeonline.org.
