Growing together in faith,
centered in Christ,
serving God's world with love.

July 18, 2018

From June 26-July 1, 38 youth and adults from Lord of Life were involved in the ELCA's triennial National Youth Gathering with this year's theme, "This Changes Everything!" They were encouraged, challenged, and changed by the worship, the music, the speakers, and the awesome van rides! Mark your calendars for August 5 when our youth will share their stories with us during worship.

None of you will be surprised to know that we have an incredibly talented group of youth at Lord of Life. They all, in their own way, excel at demonstrating the gifts that God has given them and in sharing the love of God both in and out of our building. During the National Youth Gathering I was blessed to see these acts of generosity first hand.

First, there was the leadership of our juniors and seniors. Without prompting they were welcoming in the younger and newer students. It would be easy for such a strong and tightly knit group to be closed off and focused on their own relationships but instead they spent the extra energy to make sure everyone was included whether we were playing games, singing songs, or riding in the vans.

The week was filled with opportunities to hear stories, ask questions, be challenged, and learn about our faith. Our group jumped into this headfirst. On the very first night there was a band that none of us had ever heard, but from one end of our row to the other our group was jumping, dancing, and singing along. The next day in the Interaction Center, they had the choice between playing games or joining in acts of service, learning, and prayer. Every student that I spoke with shared how much they enjoyed engaging in the service and learning especially. They saw it as a genuine opportunity to grow their faith and expand their learning.

Last, was the incredible love and patience our group had for and with one another. We talked about a lot of difficult issues during our week at the National Youth Gathering – issues that many of us struggle to talk about as adults. And yet our students were not just listening but actively engaging in dialogue around topics that are tearing our society apart in so many ways. They did not all agree on every topic, nor did they feel they needed to change everyone else's mind, but they shared their views and experiences openly and then listened to the stories of others in our group and the speakers on stage.

I am incredibly proud of our youth and their demonstration of God's kingdom. These young men and women are not just the future of our congregation, they are teaching us how to be in a Christ-centered community with one another right now. I hope you will join me in listening to their wisdom so that we can better experience how the Church can change everything!

Grace and Peace,
Pastor David

Rally Sunday, August 19, 11:30-1:30. Rally Sunday is the day we kick off all of the Faith Formation opportunities at Lord of Life. There will be tables in the fellowship hall showcasing all of the Christian learning opportunities available to our community. We will have hamburgers and hot dogs, a bounce house for the kids and more! You are invited to join us for this fun event and bring a “picnic-style” side dish to share. For questions or if you would like to help organize this event, please contact Katie Phillips at kphillips@lordoflifeonline.org.

Save the Date: Lord of Life Ministry Fair, Sunday, August 26th
Is God calling you to share your faith, time and talents? Visit the Fellowship Hall on Aug. 26th to find ways to share your gifts of time and talent or you can just get more information on what is going on at Lord of Life. The Fair will showcase all our ministries and you will be able to see how your particular talents can be used to serve others. *Something for all ages - bring the kids!*

Landscaping: The front of Lord of Life has undergone an amazing transformation over the last few weeks. What was once piles of dirt and weeds is now a magnificent new face to our building. Nearly all the flower beds around the entire building and parking lot were redone during the last two months, making Lord of Life a more welcoming presence in our community. While the landscaping looks fabulous now, it will need lots of love by our members to stay that way. The Green Team is looking for your help. This is a great family project for all sizes and ages and teens can earn community service hours. Please email Office Manager Rick Janacek at rjanacek@lordoflifeonline.org or call 281-367-7016 for more information.

Lutherhill Day Camp

Worship & The Arts

Director of Worship and the Arts - Rev. Tamara Fincher tfincher@

“Go to the ant, ...consider its ways, and be wise...it prepares its food in summer, and gathers its sustenance in harvest.” Proverbs 6:6

“Summertime, and the livin’ is easy, the fish are jumpin’ and the cotton is high...” This song from Porgy and Bess, by Gershwin and Heyward, runs around my head this time of year. It seems to fit the more relaxed pace we take as the weather heats up. Well, except for our scurrying from shady patch to shady patch to AC. After the big band on the Fourth, we have visions of the hammock, the pool, and the BBQ. Vacation mode is in full swing.

Here at church, though, there is still a lot going on! Children’s Faith Formation has had Lutherhill daycamp. Kids of the Kingdom Preschool hosts their own daycamp – I can hear the happy screams. Vacation Bible School is still to come, July 23-27. The Jr. High Mission Trip is coming up.

Our worship services have some fresh experiences coming. July 29 is Fifth Sunday which means Jazz/Big Band Sunday. The musicians have been hard at work preparing and practicing and after last April’s debut (WOW), I am eagerly looking forward to their musical offerings and leadings. We will also commission the junior high youth for their mission trip that day. August 5 is Youth Sunday, when we hear from the high school youth about their mission trip, which this year was the National Youth Gathering. What a fantastic way for our youth to connect to the greater church and to use their leadership skills that while bring us all into the future. We will also celebrate our high school graduates by blessing blankets for them to carry a piece of Lord of Life with them into their new adventures. August 12 prepares us for returning to school with Blessing of the Backpacks for children, youth and their teachers and school officials. At 9:45 we also will have the children to help lead our worship and allow us to experience some of the music, energy, and experiences with Jesus from VBS “Shipwrecked: Rescued by Jesus.” How have you been rescued by Jesus? This runs up right up to school starting on August 15 – already?!

Like the ant, prepare food in the summer – and not just physical food, but gather spiritual food as well. Worship sustains us throughout these hot “dog days” of summer as well as during the cold, bleak winters. See you Sunday!
“The ants are a people without strength, yet they provide their food in the summer...” Proverbs 30:25

Upcoming Worship

- July 29** Jazz/Big Band; Commissioning of Jr. High students for mission trip
- August 5** Youth Sunday; Patrick Nazaroff preaching; Blankets to High School graduates
- August 12** Blessing of Backpacks; 9:45 – VBS children sing
- August 19** 9:45am - Blessing of KOK teachers; Footsteps in Faith milestone celebration for 3-yr.-olds.

Every week, kids on Montgomery County go home hungry. Sometimes, the only meal they eat is school lunch. Help us send home backpacks for food-deficient kids in our community. The food bank is asking for: small cans of: tuna, chicken, Vienna sausages and Spam, ready-to-eat cans of: chili, stew, Spaghetti-Os, ravioli. peanut butter (small jars), Ramen noodles, individual macaroni & cheese, single serving packages of: cereal, oatmeal, shelf-stable microwavable meals, single-serve drinks: Capri Sun, orange juice, juice boxes, shelf-stable milk, large boxes of saltines, apple sauce and fruit cups, shelf-stable pudding cups, granola and breakfast bars, small packages of raisins, canned soup, individual pkgs of peanut butter or cheese crackers, small cans of vegetables, pasta, pasta sauce, rice, and beans. The food pantry also needs toilet paper, paper towels, diapers, Laundry detergent and Personal size bars of soap.

You can drop off your donations at church. God’s Work, Our Hands.
